DECLARATION

The undersigned declarants have been warned that willful false statements and the like are punishable by fine or imprisonment, or both (18 U.S.C. § 1001) and may jeopardize the validity of the application or any patent issuing thereon. All statements made of our own knowledge are true, and all statements made on information and belief are believed to be true.

Pursuant to 37 CFR § 1.131 and MPEP § 715, this Declaration is submitted for the purpose of swearing back a reference. The reference in question is *Field* (U.S. Patent No. 6,018,764). *Field* was filed on 10 December 1996. The present Applicants' priority date was soon thereafter, on 17 January 1997. The undersigned declarants confirm the contents of Exhibit One attached hereto, which is an authentic copy of an Invention Report received from the inventors on 7 November 1996. The Invention Report itself is dated 6 November 1996.

The declarants hereby declare that this invention was conceived prior to 6 November 1996. Following that conception, the invention and application were pursued with due diligence until filing the application in Finland on 17 January 1997.
